**Assistant Professor position (tenure track) in the domain of**

**'Learning technology and innovation in education and training'**

The Faculty of Psychology and Educational Sciences, University of Geneva, in collaboration with the Swiss Distance Learning University (UniDistance) is opening an Assistant Professor position (tenure track) at the TECFA research unit in the domain of 'Learning technology and innovation in education and training'.

**INSTITUTE:** TECFA (http://tecfa.unige.ch) is a multidisciplinary research and teaching team investigating all facets of technology enhanced learning such as: cutting-edge technological innovations, instructional design, or impact on learning and teaching processes. The faculty of Psychology and Educational Sciences at the University of Geneva offers a modern and vibrant scientific environment with world-renowned researchers in the domain.

**ASSIGNMENT:** Full-time appointment including lecturing in the domain of computer-mediated interaction and e-learning (6 h/week) in the MSc MALTT (http://tecfa.unige.ch/maltt), and supervision of master and PhD theses. In addition, the candidate will participate in faculty development and strategy workshops of UniDistance. The candidate is expected to conduct world-class research in the domain of the position and attract external funding. Profiles close to distance education (formal and informal), instructional design and innovation studies are especially encouraged.

Note: Teaching language is French, but the candidate could use up to 2 years to learn the language.

**ACADEMIC TITLE REQUESTED:** PhD in education, instructional design, psychology, cognitive science or equivalent. Experience in research supervision and teaching experience. Publications in international high quality journals.

**STARTING DATE:** on and after 01.08.2017.

**APPLICATIONS** (in French or English) should be submitted **exclusively** on-line on jobs.unige.ch. Applications will include: Cover letter; Detailed CV together with a list of publications ; Copy of the 5-6 most representative publications ; Copy of highest degrees/diploma.

Apply now and **before December 20th, 2016** (0:00 Geneva time) APPLICATIONS SENT BY EMAIL SHALL NOT BE ACCEPTED.
